Dresden, 26. November 2012

## Announcement

**Professor Dr.-Ing. Hiroshi Asanuma**  
Department of Mechanical Engineering  
Graduate School of Engineering, Chiba University, Japan  
JSME Fellow, IOP Fellow  
Chair, M&P Division of JSME

Prof. Hiroshi Asanuma Chiba University, Japan

is giving a talk on his recent work on active material systems, such as PZT/aluminum composites, Carbon Fiber Reinforced Polymer / Al active laminates and his new project on Disaster Mitigation and Sustainable Engineering. He is guest of the Collaborative Research Center PT - Piesa, Subproject C3 (WP Leader A. Schönecker).

Friday, December 7, 2012  
10:30 h – 11:30 h, at Fraunhofer IKTS-DD, Winterbergstr. 28, Hörsaal R130

Mit freundlichen Grüßen

Dr. Andreas Schönecker
